

Product	Contacts: 4, female panel mount connector SMT, with housing, shieldable
Area	M12-D, M12-X Series 825/876 D-coding
Article number	99 3732 402 04

Illustration

Scale drawing

Technical data

General features

Connector Design	female panel mount connector
Termination	SMT
Upper temperature	-40 °C
Lower temperature	85 °C

Electrical parameters

Rated voltage	250 V
Rated impulse voltage	2500 V
Pollution degree	3
Rated current (40°C)	4 A
EMV compliance	shieldable

Material

Material of contact	CuZn(Messing)
Contact plating	Au (gold)
Material of contact body	LCP
